SO FAR WE HAVE NETTED OVER $325,000 THAT HAS BEEN PAID FORWARD IN JIMMY'S NAME

"He was the greatest teammate I was ever around."
– Coach Derrick Jones

One of Jimmy Griffin's passions was basketball. Ever since he was a little boy, he'd be seen dribbling, shooting, or playing basketball. He played basketball on any pick-up team he'd find, at St. Bede, Marist High School and achieved a Division 1 Athletic Scholarship for basketball at Samford University in Birmingham, Alabama. Playing D-1 basketball was his lifelong ambition, and this Chicago Southside Irish Catholic boy proudly moved down South to fulfill his dream. His dream was cut short during his senior year on Tuesday, September 8, 2009, when he quietly passed away in his sleep. There were no symptoms, but his heart had an undetectable defect. His passing shocked and saddened all who knew him.

Anyone who knew Jimmy knew that he was much more than basketball. He was full of fun, life, and charm. He never had to be the center of attention, but people were drawn to him. He never let people be bullied in his presence; *he stood up for what was right, even if it wasn't the popular thing to do*. His friends came in all shapes and sizes and were not necessarily the best athletes or the smartest in the class – that never mattered to Jimmy. He was a friend to all.

The Griffin family is determined that this wonderful young man's life and legacy will never be forgotten. Therefore, Jimmy's family has set up The Jimmy Griffin Legacy Foundation, which will benefit places *Jimmy loved and where he was loved*: St. Bede Church and School, Marist High School, and Samford University. It will also benefit the American Heart Association.

Please help us *pay it forward* in Jimmy's name by being as generous to his legacy as you possibly can.
